# Spotlight: Meet Nancy

Hi! My name is Nancy Davis. I joined the GCDHH Team in November of 2007 (back when it was called GACHI) as an Information Referral Specialist. I aided in opening the 6th GACHI office in Hinesville. My job title has changed many times over the years (as have the office locations). In August of 2016, I joined the TEDP department as an Equipment Distribution Specialist covering 53 counties in Southeast Georgia. I have a passion for this organization and for helping people. I love my job.

I married my Prince Charming, George, in 1991. We have two boys. Jeremy, 24, who lives in Statesboro and Josh, 21, who is serving in the Air Force in Texas. My husband works on Ft. Stewart. We reside in Hinesville, Liberty County, GA.
